SUBJECT: **2004 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM (FTIP)
ADMINISTRATIVE AMENDMENT # 13 –Modify project within the FTIP**

Dear Ms. Falsetti:

As the Executive Director for the Stanislaus Council of Governments, I hereby approve **Administrative Amendment # 13** to the 2004 Federal Transportation Improvement Program (FTIP) to move the dollar amounts of the following previously programmed project:

- 1. RSTP: StanCOG: SR 132-Modesto, Riverside to Codoni Widen to 4 lanes. STPL-6089 (027) Move \$733,000 (\$648,620 Fed/\$84,380 State) in Regional Surface Transportation Program Funds, From the Construction Phase to the Right of Way Phase.**
- 2. CMAQ: The City of Riverbank; Purchase CNG Vac-Truck CML5255 (023), Add \$50,000 Federal funds.**

REASON:

1. The Stanislaus Council of Governments requests to move the previously programmed \$648,620 of Federal Regional Surface Transportation Program (RSTP) funds and \$84,380 of State funds from the construction phase of the project to the Right of Way phase of the project.
2. The City of Riverbank, due to cost increases in the purchase of the CNG vehicle, requests that we add \$50,000 Federal CMAQ funds to this project. This would bring the total federal funds to \$340,387, which is 72% of the total project cost. This addition is less than a 20% increase in federal funds to this project.

This proposed change meets the criteria for changes that may be made administratively:

- No new projects have been added;
- Included projects do not affect the air conformity determination;
- The timely implementation of Transportation Control Measures (TCM) has not been adversely affected;
- The StanCOG FTIP remains financially constrained (no major change to bottom line of Rev/Exp Tables), Fund changes remain within the current triennial element; and
- No scope changes have resulted.
